'Yeastar Linkus for Google' Overview

'Yeastar Linkus for Google' is a free Chrome extension that seamlessly integrates Yeastar PBX services to allow you to make and receive calls straight from web browser, and enjoy easy click-to-dial of any phone number on any web pages.

Restrictions and requirements

Restrictions

'Yeastar Linkus for Google' is only for use with Yeastar PBX system and is not a standalone extension. It must be coordinated with Linkus Desktop Client or Linkus Web Client to work, and the available features vary according to the client it works with.

Tip:

This user guide provides instructions on the Chrome extension with Linkus Desktop Client. For more information about Linkus Web Client, see [Yeastar Linkus for Google \(Web Client\)](#).

Requirements

- PBX Server: 37.10.0.30 or later.
- Google Chrome: Version 87 or later.

Key features

Click to call

Click phone numbers on any web-based CRM or any web pages to call out via Linkus Desktop Client.

Phone number detection

Automatically identify phone numbers in any web-based CRM or any web pages and convert the numbers into clickable links.

Website blocklist

Set the website URLs to prevent the Chrome extension from detecting phone numbers on the specified web pages.

Install 'Yeastar Linkus for Google' on Chrome Web Store

You can access and install 'Yeastar Linkus for Google' on Chrome Web Store.

Prerequisites

Browse the web in regular mode.

! Important:

You can NOT add an extension when you browse in Incognito mode or as a guest.

Procedure

1. On your computer, open [Chrome Web Store](#).
2. Install 'Yeastar Linkus for Google' extension.
 - a. In the search bar, enter `Yeastar Linkus for Google` and press **Enter**.

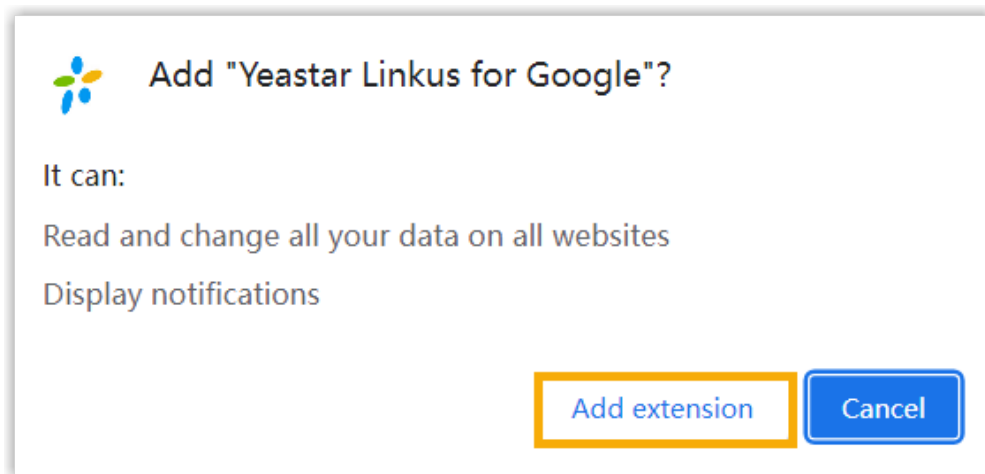

The 'Yeastar Linkus for Google' extension is displayed on the page.

- b. Click 'Yeastar Linkus for Google' extension.
- c. On the right of the extension, click Add to Chrome.

A window pops up and shows what permissions 'Yeastar Linkus for Google' needs.

- d. Click Add extension.

'Yeastar Linkus for Google' extension is installed.

3. Pin 'Yeastar Linkus for Google' extension to Chrome toolbar.

a. On Chrome toolbar, click  next to your profile picture.

b. Click  beside 'Yeastar Linkus for Google' extension.

Result
